Continuing the process of Co-curricular activities besides the routine curriculum internal Quality Assurance Cell (IQAC) of the College in collaboration with Nasha Mukta Bharat Abhiyan (NMBA) Committee and Navreedhi Welfare Foundation organized a highly significant and informative awareness programme on **“Drug Abuse and Legal Awareness: Rights, Remedies and Responsibilities”** on April 10, 2026. The event attended by the faculty and the students in large number, aimed to create awareness among students about the growing concerns of drug abuse and to educate them about their legal rights, remedies and responsibilities in society. The workshop was graced by the presence of Advocate Kiran Thakur as the esteemed guest speaker. Her profound knowledge and vast experience in the field of law greatly enriched the session and added remarkable depth to the theme. With clarity and confidence, she addressed the students on the serious implications of drug abuse, both from a social and legal perspective. She elaborated on the rights available to individuals, the legal remedies in cases of abuse or injustice, and the responsibilities that every citizen must uphold to contribute to a safer and drug free society.

Advocate Thakur’s lecture was not only informative but also highly engaging. She presented real-life examples and practical insights that helped students better understand the legal framework surrounding such issues. Her ability to simplify complex legal concepts made the session accessible and impactful for everyone present. The students deeply appreciated her enlightening talk, which inspired them to be more aware, responsible, and proactive in their roles as citizens.

Co-ordinator IQAC, Dr. Kousar Muzamil, presided over the programme. In his presidential and concluding remarks he rightly pointed out that drug addiction is eating up the vitals of the society and the young generation is an easy target of the drug mafia. He emphasized that it is the responsibility of the whole society to come up with a mission and eradicate the menace before it sneaks in every individual of our households.
