Natural Language Processing (NLP), Chat GPT and other forms of artificial intelligence. Dr. Ashaq Hussain Parray, Head Department of English, also spoke on the occasion and extended gratitude to the organisers, speaker and the audience for a successful session.

April 09, 2026:

In continuation to the learning process under the aegis of Sadhana Saptah, the college organized an impressive learning session on **“Indian Knowledge system”** At the outset of the programme, Dr. Kousar Muzamil, Collge Nodal Officer, iGOT Karmayogi, introduced the integration of Indian Knowledge System with the education. He said that National Educational Policy (NEP 2020) promotes the inclusion of Indian Knowledge System in schools and higher education for a deeper understanding of Indian culture, heritage and ethical living, language & literature and vice versa for the holistic development of the students.

Prof. Leakh Raj, Head Department of history, went deep into the Indain Knowledge System and acquainted the faculty and the audience of the core areas of the IKS like, ancient text of vedas, Upanishads, arts, Literature, Ayurveda, science & technology dating back thousands of years. He emphasized that introduction of IKS in the curriculum is the revival of the ancient knowledge and still a good number of population follow the system like in Ayurveda & Yoga. Prof. Dansish Khatana, Head Department of Sociology, proposed vote of thanks.
